Re: LIGHT DISPLAY STRUCTURES
Docket No. 024-25-001 Application No. 10/773,353

Robert -----

In accordance with your offer to make an Examiner's amendment in this application, Applicant wishes to cancel claim 33 and let all other claims go forward to allowance.

In making this decision, Applicant requests that the following statement be inserted into the application record :

"Applicant does not concede nonpatentability of claim 33 and intends to pursue its substance in a continuation application".

Thank you.

----- Joseph
